

Press release*Nur-Sultan, June 30, 2021***“KazTransOil” JSC announces about commissioning of the Main Pumping Station “Aman” as a part of the reverse of the “Kenkiyak-Atyrau” Oil Pipeline project**

As part of the second start-up complex of the project "First stage of the reverse section of the “Kenkiyak-Atyrau” Oil Pipeline with a capacity of up to 6 million tons per year", the main pumping station and technological facilities of the “Aman” Oil Pumping Station were put into operation on June 30, 2021.

The project is one of the stages of construction and development of the “Kazakhstan-China” oil pipeline system. Putting it into operation will increase the transportation of Kazakh oil to China to 6 million tons per year and will ensure a stable loading of raw materials for oil refineries of the Republic of Kazakhstan.

The investment project "First stage of the reverse of the “Kenkiyak-Atyrau” oil pipeline section with a capacity of up to 6 million tons per year" is being implemented by “MunaiTas” LLP.

“MunaiTas” LLP – a joint venture of “KazTransOil” JSC (51 %) and CNPC Exploration and Development Company Ltd (49 %), created for the purpose of implementing a project for the design, financing, construction and operation of the “Kenkiyak-Atyrau” Main Oil Pipeline.

For reference:

“KazTransOil” JSC is the national operator of the Republic of Kazakhstan for the main oil pipeline. It is included in the group of NC KazMunayGas JSC. It owns a diversified network of main oil pipelines with a length of 5.4 thousand km. It transports oil to Kazakhstani oil refineries and for export in the following directions: the Atyrau-Samara section of the Uzen-Atyrau-Samara main oil pipeline, transshipment to the Kazakhstan-China Pipeline LLP system (Atasu-Alashankou oil pipeline), Aktau port (loading oil into tankers), transshipment into the system of JSC "Caspian Pipeline Consortium-K", loading oil into railway tanks at the NNP "Shagyr" and OPS named after T. Kasymov. The production facilities of KazTransOil JSC are located in Mangistau, Atyrau, West Kazakhstan, Aktobe, Pavlodar, Karaganda, Kyzylorda, Almaty, Turkestan, North Kazakhstan regions, Nur-Sultan and Shymkent.
