KASE took part in Global Money Week - 2022

Kazakhstan Stock Exchange JSC (hereinafter - the Exchange, KASE) held a number of events as part of the annual global movement to improve financial literacy of children and youth Global Money Week (GMW), in which more than 1,200 people took part.

The 10th edition of Global Money Week took place March 21-27, 2022. The official theme of GMW-2022 was "Create Your Future by Treating Money Wisely". Following the theme of the global campaign, KASE, beginning in early 2022, held a series of webinars: "Fundamentals of Investment Literacy," "Pro IPO: What You Need to Know and How to Participate," "Tax Declaration of Securities", offline meeting "Stock Market Tools for Business" with online broadcasting across Kazakhstan.

Online events were held, including with the support of partner organizations - the brokerage company Sky Bridge, the audit and consulting firm Ernst & Young and the National Chamber of Entrepreneurs Atameken. It should be noted that at the last similar event, which the Exchange organised jointly with the National Chamber of Entrepreneurs, speakers talked about securities market instruments for attracting financing and listing procedures, as well as disclosed issues of investing free cash.

The Exchange plans to continue carrying out activities to improve financial literacy throughout 2022. In particular, it is planned to release new video tutorials and conduct webinars on various investment topics on a regular basis, as well as a Competition for retail investors and an Exchange simulator.

For reference

Since 2012, the Global Money Week campaign has reached more than 53 million children and young people in 176 countries around the world. The official slogan of GMW is "Learn. Save up. Earn" conveys the key ideas of the global movement to teach the younger generation to manage their money, save for the future and earn for themselves and their family.

Kazakhstan Stock Exchange JSC (KASE) is the leading stock exchange in the Central Asian region. KASE ranks second among the CIS exchanges in terms of securities trading volume, and fifth in terms of capitalization of the FEAS stock market.

It is a universal trading market for corporate and government securities, bonds of international financial institutions, foreign currencies, money market operations – repo and swap, as well as derivatives. KASE is a member of the International Federation of Stock Exchanges (WFE), the Federation of Eurasian Stock Exchanges (FEAS) and other international and domestic professional associations, as well as a participant in the UN initiative "Stock Exchanges for Sustainable Development".
