## MAIN NEWS OF THE MARKET

**November 4 service credit rating Standard & Poor's affirmed its long-and short-term credit ratings of "KazAgroGarant (CAG) at 'BB-/B', as well as national scale rating at " kzA-", and then withdrawn at the request of the issuer.** It is noted that the moderating influence on the ratings continued to the fact that the business model of coronary angiography has not been tested by time and not fully formed. In addition, Standard & Poor's takes into account the risks associated with investments of CAG in the Kazakh banking sector, and lack of limits on the amount of issued guarantees. In accordance with the methodology of Standard & Poor's credit ratings institutions associated with the state (BSH), concluded that moderately high likelihood of extraordinary government support CAG is based on the limited relevance of CAG for the state and a very strong connection with the Kazakh government.

**November 4, it became known that the Senate of the Parliament of the Republic of Kazakhstan at the plenary session adopted the draft law "On amendments and addenda to some legislative acts of the Republic of Kazakhstan on issues of taxation."** As explained by representing the bill the Minister of Finance Mr. Bolat Zhamishev, **the main purpose of the bill is to ensure the financial needs of the state, improving the system of international taxation and administration of international treaties on taxation in accordance with international practices,** as well as clarifying certain provisions of legislation of Kazakhstan. **Given document provided for a phased increase in the excise rates on tobacco products,** as well as reduced rates of payment for the use of radio spectrum for the introduction of third generation mobile communication and mobile fourth generation. Also, the draft law provides for exemption from value added tax arising from investment in gold and the application of zero rate of VAT on fuel and fuel used to refuel foreign aircraft.

**November 5** has become known that the decision of KASE Council on August 26, 2010 approved changes and additions # 4 (amendment) to an internal document KASE "**Rules of the spread of the exchange of information.**" The amendments agreed upon by the Agency of the Republic of Kazakhstan on Regulation and Supervision of Financial Market and Financial Organizations (AFS) November 1, 2010 and **entered into force on November 5, 2010.** The updated text of the Rules of the spread of market data will be published on KASE's [web site at http://www.kase.kz/files/normative\\_base/info\\_rules.pdf](http://www.kase.kz/files/normative_base/info_rules.pdf) shortly.

**November 8, it became known** that the decision of KASE Council on July 29, 2010 were approved amendments # 1 (Amendments) to the internal document KASE "**Rules of exchange trade futures contracts.**" The amendments agreed upon by the Agency of the Republic of Kazakhstan on Regulation and Supervision of Financial Market and Financial Organizations (AFS) November 1, 2010 and **entered into force on November 5, 2010.** The updated text of the Rules of exchange trading in futures contracts will be published on KASE's web site at [http://www.kase.kz/files/normative\\_base/trading\\_rules.pdf](http://www.kase.kz/files/normative_base/trading_rules.pdf) shortly.

**November 8** in Paris on an official visit to France, the chairman of the Audit Committee Omarkhan

Oxikbayev met with the first President of the Court of accounts of the French republic, Didier Migo. Heads of Supreme Audit Institutions of Kazakhstan and France discussed the bilateral partnership. **Following the discussion of Mr. Omarkhan Oxikbayev and Mr. Didier Migo have signed a cooperation agreement.** According to the document, supreme audit institutions of Kazakhstan and France will share their experiences in the field of methodology and procedure of state financial control. Planned cooperation on vocational training and skills development. The agreement also provides for the organization of joint research and parallel events.

**November 9 the National Bank in Kazakhstan reported the following:**

- **in October 2010 has seen an increase in net international reserves of National Bank 4.27% to 28.4 billion dollars** (from the beginning of the year - an increase of 26.2%). In October 2010 the international reserves of the country as a whole, including the National Fund assets in foreign currency (29.4 billion U.S. dollars) increased by 2.3% and amounted to 58.4 billion U.S. dollars (from the beginning of the year - an increase of 23.1%). The monetary base in October 2010 increased by 8.5% due to growth of net foreign assets and net domestic assets of the National Bank and was KZT2,744.4 billion (from the beginning of the year - increased by 12.0%). In September 2010 the money supply decreased by 0.2% to 8 411.1 billion (from the beginning of the year - an increase of 12.3%). Money multiplier dropped from 3.34 in August 2010 to 3.32 in September 2010 due to expansion of the monetary base with a slight decrease in the money supply.
- **According to preliminary data, the current account surplus of balance of payments of Kazakhstan for the first 9 months of 2010 totaled 4.7 billion U.S. dollars (for 9 months in 2009 - deficit of 4.6 billion U.S. dollars).** During the first 9 months of 2010 exports of goods valued at \$ 45.0 billion, up 50.4% over the first 9 months of 2009. Growth in the third quarter of 2010, import content of the trade balance at 10.0% compared to second quarter 2010 was primarily due to increased importation of foreign machinery and equipment and other industrial products. As a result, imports for 9 months of 2010 are estimated at 22.0 billion U.S. dollars, up 5.0% compared with the corresponding period in 2009.
- **In October 2010, on the OTC market volume of transactions rose by 24.5%.** Volume of stock transactions on KASE including transactions on additional auctions decreased compared with September 2010 to 12.1% and amounted to 4.5 billion dollars (YTD - 48.4 billion U.S. dollars).
- **the total amount of residents' deposits in depository institutions in September 2010 decreased by 0.4% to KZT7,324.7 billion (from the beginning of the year - an increase of 11.4%).** Corporate deposits decreased by 1.3% to KZT5,242.9 billion (from the beginning of the year - an increase of 12.0%), deposits of individuals - increased by 1.9% to KZT2,081.8 billion (beginning of the year - an increase of 9.9%).
- **the total amount of banks' lending to the economy for September 2010 increased by 0.6% to KZT7,493.3 billion (from the beginning of the year - a decline of 2.0%).** Loans to legal entities for September 2010 increased by 0.7% (from the beginning of the year - a decline of 0.9%), made KZT5,369.3 billion, to individuals - by 0.2% to KZT2,124.0 million (from the beginning of the year - a decline of 4.6%).
- **The total number of loans for which was restructured amounted to 14.0% of the total number of mortgage loans in Kazakhstan.** During the period from 2004 to July 1, 2010 banks were given 200 thousand mortgage loans of KZT1,157.2 billion. As at July 1, 2010 the number of mortgage loans held in portfolio, amounted to 140,000 in the amount of KZT705.5 billion.

**November 9, it became known that within the formation of a single trade regime to the Customs Union of Kazakhstan worked out the issue of joining the Kimberley Process.** It is reported that the Kazakh delegation held meetings with the Chairman of the Committee for participation in the Kimberley Process Mr. Kennedy Hamutenya, as well as Chairman of the Committee on Rules and Procedures Mr. Kutepov Kolmogorov. According to the results of working meetings Kazakhstan side were handed over to the official documents for further work. The Kimberley Process - an international intergovernmental initiative which aims to stop infiltration of conflict diamonds into the legitimate trade. This initiative is aimed at preventing the financing of military operations in the developing and least developed countries, income from trading "blood" diamonds.

**November 9, it became known that the President of Kazakhstan Mr. Nursultan Nazarbayev has signed the Law of the Republic of Kazakhstan "On Ratification of Agreement between the Government of the Republic of Kazakhstan and the Government of the Republic of Slovenia on the international carriage of passengers and goods by transportation"** The agreement provides for the release of vehicles carrying cargo, passengers and baggage from the payment of all fees and charges relating to the ownership, registration and control of the vehicle. According to the

report, the ratification of this agreement due to the need of passengers and goods between Slovenia and the transit of goods to Italy via Slovenia.

**November 10 Republic of Kazakhstan Agency for Statistics reported that the housing market in October 2010 there was an increase in prices.** In October 2010, compared to the previous month, the sales price of new housing rose by 0.1%, resale and rental of comfortable - on 0.5%, uncomfortable - by 0.8%.

**November 10 became known that the Majilis Parliament of Kazakhstan** at the plenary session approved the second reading of the **draft law "On introducing amendments and addenda to some legislative acts of the Republic of Kazakhstan on mortgage lending and consumer protection, financial services and investors."** The bill is designed to improve the legal framework of the Republic of Kazakhstan for the protection of the social guarantees of citizens who acquire housing through mortgage loans, improving the quality of financial services, compliance with international standards and create an integrated system of protection of the rights of consumers of financial services and investors in the securities market.

**November 10 President of JSC "National Savings Bank of Kazakhstan" Mrs. Umut Shayakhmetova reported that a subsidiary of Halyk Savings Bank of Kazakhstan in Kyrgyzstan – "Halyk Bank Kyrgyzstan" partially resumed lending to clients,** suspended due to the unstable political situation in that country. As indicated, the issuance of bank loans in Kyrgyzstan was suspended late in the first half of this year. The bank continued operational customer service. As reported, she said, while the bank resumed its retail lending. Further expansion of credit activity will depend on the situation in the country.

**November 10 The National Bank of Kazakhstan reported that in the third quarter of 2010 continued improving of investment activity in Kazakhstan.** The report states that continued improvement in investment activity: the proportion of companies used their own funds for investment increased to 52.9% (in 2 quarter - 50.4%). Bank loans for these purposes, used only 4.2% of enterprises. At the same time, a significant part of the enterprise does not show the investment activity: the proportion of enterprises that do not finance investments amounted to 41.6%. It is noted that in the third quarter of 2010 significantly increased the demand for finished goods businesses in the economy and major industries. As a result, increased business activity, which primarily manifested itself in a noticeable increase in turnover of working capital from 42.4% in the second quarter of 2010 to 45.3% in the third quarter of 2010, as well as an increase rate of growth of prices for finished products and raw materials.

**November 10 Deputy Prime Minister of the Republic of Kazakhstan announced that from next month in Kazakhstan deposits with a zero rate of return will receive benefits to pay tax on mineral extraction (MET).** He reportedly said that the benefits will deposit with less than 1% of the cost-effectiveness. As reported, according to Mr. E. Orynbayev, tax rebates for mineral extraction is primarily concerned with old oil fields with residual hydrocarbons.
